Beyond 4K

Our Montessori curriculum includes an enriched 4K program that is built on the sequential three year cycle of the Montessori classroom. Our goal is to meet the needs of the whole child with varied and balanced experience in self help skills, sensory motor activities, math and language skills, geography, art, drama and music. Our curriculum is developmentally challenging to each individual learning style.

Don't miss out on giving your child the best start possible with our beyond 4k program.

"The child is the creator of himself; the environment should reveal, not mold him."

"CCS is a place dedicated to bringing out the best in each individual child. It's a wonderful example of what happens when caring, dedicated, professional educators focus on helping children discover the joy of learning. Kindergarten teachers tell me they can always tell former CCS students; they just "get" it."

Montessori School
Nonprofit Organization Since 1976

Children's Community School in Mount Horeb is dedicated to providing a nurturing and challenging Montessori preschool environment where children can explore the world and their place in it through frequent opportunities with hands-on experiences as well as social encounters. CCS students acquire the knowledge and skills essential for independent thinking, resourceful problem-solving, active citizenship, and life-long learning.

CHILDREN'S COMMUNITY SCHOOL

Montessori Preschool Since 1976

The purpose of the Toddler program is to provide a rich environment in which your child's natural curiosity can find expression. It is an individualized program designed to let each child grow at his or her own pace. The environment and the materials are designed to help develop concentration, coordination, and independence, as well as give concrete experience with academics and social interaction. The teacher is a nurturing guide who prepares the environment, facilitates problem solving, and serves as a positive role model. At CCS, your child will receive a foundation in everyday living, social skills, self-care, large motor skills, language and math skills, nature, art, and music.

We Value:

- ✔ Treating Individuals With Respect
- ✔ Hands-on, Purposeful Experiences
- ✔ Inspiring Creativity
- ✔ Staying In Touch With Nature
- ✔ Positive, Peaceful Social Encounters
